

DATA SCIENCE EDUCATION CONVENING

Tackling equity gaps in data science learning

Friday January 31, 2025

University of California, Irvine

10:00 AM - 3:00 PM

Join us as we unite the Data Science community across California's Community Colleges, California State University, and University of California systems to engage in meaningful discussions on the development, implementation, and advancement of data science curricula and programs.

- **Gain Insights from Leadership:** Hear from leaders across California's three-tiered higher education system, sharing their vision and strategies for advancing data science education.
 - **Connect on Transfer Pathways:** Engage in conversations with undergraduate counselors to explore transfer pathways, articulation agreements, and strategies for seamless student transitions.
 - **Collaborate in Interactive Sessions:** Participate in hands-on working groups to contribute to the evolving discussion on data science pedagogy, sharing insights and shaping innovative teaching practices.
